

How to change your payment account method.

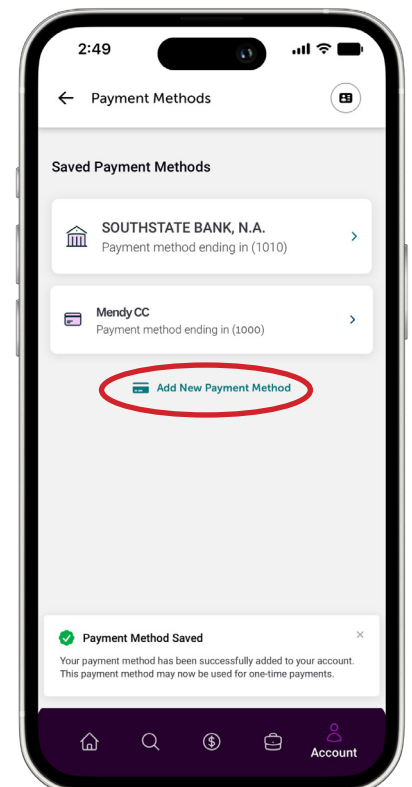

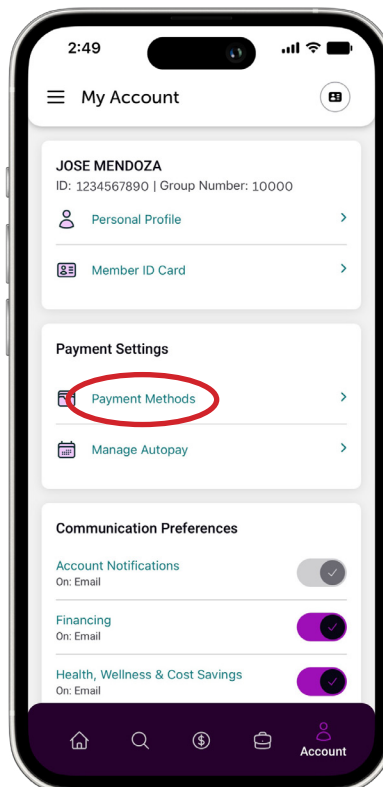

The SimplePay member portal is your one-stop-shop for all your health plan benefits. The member portal can be accessed via web browser or mobile app. Follow the instructions below to change your payment method.

1 [Log in](#) to your SimplePay Health™ member portal via the desktop or mobile app.

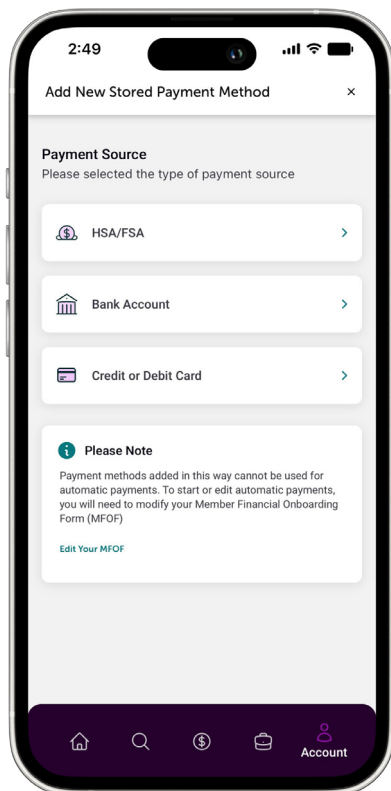

2 Click the account icon in the bottom right-hand corner.

3 Under 'Payment Settings,' select 'Payment Methods.'

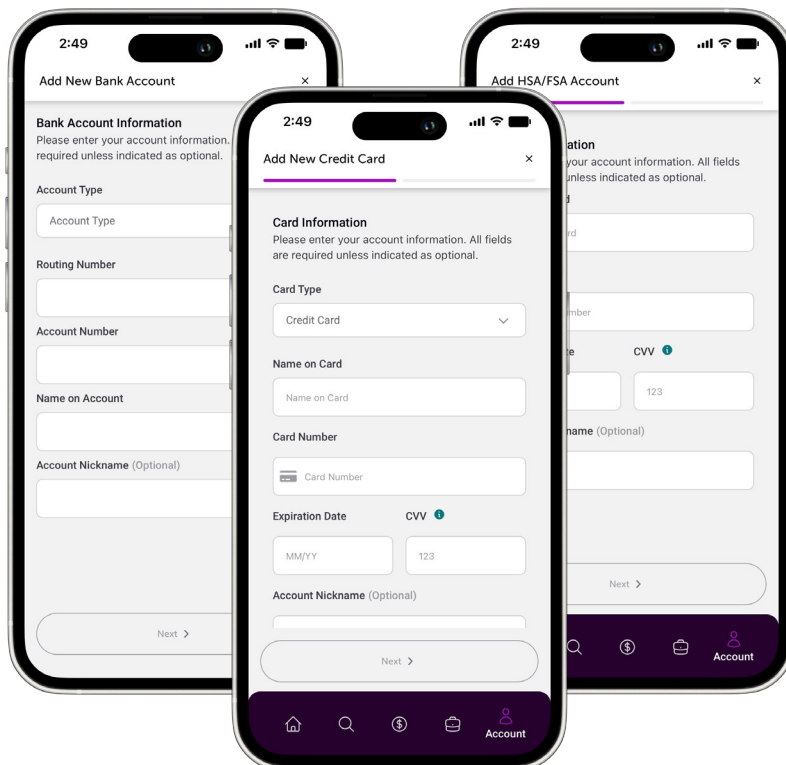

4 View your stored payment methods or click 'Add New.'

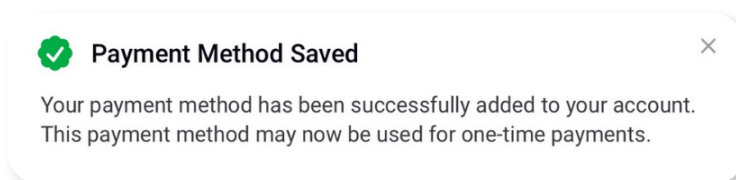

- 5 Select your payment type (HSA/FSA, Bank Account, Credit or Debit card).

- 6 Follow the prompts to add your HSA/FSA, Bank Account, Credit or Debit card.

- 7 You will get a confirmation message that your new payment method has been saved.
