Step 9: Results will populate along with our recommendations for top tiered doctors closest to you.

The screenshot shows the SimplePay Health interface. At the top, there are filters for Patient, Location (Dallas, TX 75251, USA), Physician (M/F - Any age), and Availability (No Preference). A search bar and 'New Search' button are also present. Below the filters, there are tabs for 'Recommendations' and 'Other Results'. A warning message states: 'Hours and availability may differ due to COVID-19.' The main content area displays details for Laleh Bigdeli, MD, a Family Practice physician. Her profile includes a 5-star rating, a distance of 2.73 miles, an address in Richardson, TX, a phone number, and office hours (M-F, 8:00 AM - 5:00 PM). The out-of-pocket cost for an office visit for a new patient is listed as \$30. A map on the right shows the location with a green pin and a cost of \$30. A search tip pop-up is overlaid on the map, reading: 'Search Tip: I've got recommendations for family practice physicians! Your Health Valet is happy to help if these don't meet your needs or you would like some other options.' The pop-up has a 'Dismiss' button and a 'Contact Your Health Pro' link.

Step 10: Click on the “Details” tab to see a doctor’s details such as cost, hours, location, etc.

The screenshot shows the SimplePay Health interface with the 'Details' tab selected for Christopher E. Berry, MD, a Family Practice physician. The details include: 'In Network', 'Office Hours: M - F: 8:00 AM - 5:00 PM', '\$30 out-of-pocket cost for : Office Visit for New Patient: Normal', 'New patient availability: Within 1 Week', and 'Highest rated option who meets our quality standards'. A red arrow points to the 'Details' button. The map on the right shows the location with a green pin and a cost of \$30. The search filters and search bar are visible at the top.
